PASSIONE **FERRARI**

HÔTEL CASADELMAR

Name and category: Hôtel Casadelmar 5*
Location: Porto Vecchio, Corsica

Notes: A paradise regained, where guests can recharge their batteries, just like the salamander that appears here and there, a mythical, mischievous creature that can withstand the sun's rays without burning. All rooms and suites open out onto magnificent terraces with commanding panoramic views of the bay. Decorated with dark wood, Japanese fabric and Medici marble, Casadelmar's Spa & Wellness was designed as a calming retreat from the exuberant natural surroundings and sunlit world outside, a luxurious cocoon where guests can relax and unwind. At Le Casadelmar's 2-Michelin starred gourmet restaurant, Italian chef Fabio Bragagnolo prepares simple Mediterranean cuisine that enhances the ingredients by creating subtle, harmonious flavour combinations.
